

- The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-808-536-4408. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$100 /calendar year.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay.
Are there services covered before you meet your deductible?	Yes. Chiropractic care, dental and vision, emergency room facility, certain <u>preventive services</u> from a Non-Contract <u>Provider</u> , and the following services when received from a Contract <u>Provider</u> : PCP/ <u>specialist</u> visits, <u>preventive services</u> , laboratory, x-ray/imaging, emergency room facility, inpatient hospital, mental health/substance abuse services, skilled nursing facility, <u>hospice services</u> , <u>home health care</u> , and outpatient surgery are some of the services covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	Medical: Contract Provider and Non-Contract Provider combined: \$2,500 /calendar year.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit?	<u>Premiums</u> ; <u>balance-billing</u> charges; <u>cost sharing</u> for chiropractic services; penalties for failure to obtain precertification; and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.hmsa.com/search/providers or call 1-800-776-4672 for a list of <u>network providers</u> . For HMSA Online Care, call 1-866-939-6013 . For certain hemophilia medications, call 1-808-536-4408 for a list of Contract <u>providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
